Majestic Macon property. Places like this do not come on the market everyday. If your looking for a place to call home or just looking for a great recreational place to get away this property is the one! As you come onto the property you pass the first house on the property that is currently used as a rental house and would be a great house to continue renting and bring in some monthly income. After you pass the first house and pass through the main gates and approach the main house you immediately realize that this property was built with entertainment in mind. Wether it is cooking in the outdoor kitchen, swimming in the pond, shooting skeet on the skeet range, hunting, fishing in one of the two ponds on the property, or just hanging out on the deck watching your favorite sports team this property leaves little to be desired.
